To whom this may concern:

I'm pleased to share my full support for the formation of the Mission Bay Neighborhood Association, a new effort led by local residents to strengthen community connection, communication, and advocacy in this growing part of San Francisco.

Mission Bay has quickly become one of our city's most vibrant neighborhoods, home to families, students, healthcare professionals, and small businesses that make it such a dynamic and welcoming place to live and work. A neighborhood association will help ensure that this community continues to thrive by giving residents and stakeholders a unified voice in shaping its future.

As the District 6 Supervisor, I commend the organizers for taking this important step toward building a stronger civic foundation in Mission Bay. Their work will create new opportunities for collaboration, neighborhood engagement, and local leadership that will benefit the community for years to come.

I look forward to working together as the Mission Bay Neighborhood Association grows and helps guide the future of this incredible neighborhood.

Sincerely,

A handwritten signature in blue ink that reads "Matt Dorsey".
